

Informed Consent Form

Patient's Name

Consent to Colin Wilson Dip CDT RCSEd to perform an initial Extraoral and intraoral examination before commencing with treatment. This allows Colin to assess patients oral condition and able Active Dental to offer detailed treatment plans that best suit the patient.

If patient is partially dentate, has a root/s or implants present Colin would require the patient to be referred to our dentist Gavin Laidlaw at Dental Solutions, Lymm, of which a fee of £47.50 applies for the check-up, which identifies whether you are dentally fit to proceed with new dentures.
